

A Guide to Paying Online for Fine Tip Glue Applicators

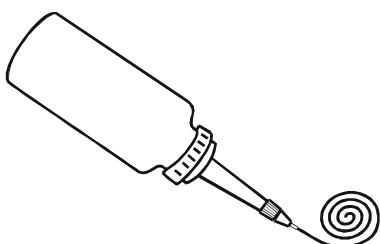

This little Guide assumes that you are buying two Applicators and two pins, you can of course choose to buy whatever quantity you wish to purchase.

It shows how you can pay by PayPal (if you have a PayPal Account) or by Credit Card which will be processed by PayPal on our behalf.

The PayPal Site is extremely secure and we have no access to any information that you provide to them once you go to their site.

This made writing this guide very difficult and the only way we could get the screen shots we needed was to actually buy some applicators ourselves!

We hope you find it useful. Please let us know if you feel that something could be explained in a better way, because we want your experience of buying on-line to be as trouble free as possible.
